QUOTATION NO. DCABJ-Q-2023-1221-01
报价单编号 DCABJ-Q-2023-1221-01

ATTN: Dr. Wei Wenqi
收件人: 韦文奇博士

Referring to your request, we are pleased to offer you the following:
根据您的要求, 我们很高兴为您提供以下服务:

Item 商品	Item Description 商品描述	Qty 数量	Unit Price 单价	Total Item 商品共计	Delivery Date 交货日期
1	<p>Corrosive Materials Valved (CMV) Cracker Source (DCA# 8148-647_B)</p> <p>Designed for the deposition of corrosive materials and other suitable low temperature materials (e.g. Sb, Cd, Te, Se and Zn). The source can crack molecules at temperatures up to 1100°C. The valve mechanism provides repeatable, stable, and controllable flux.</p> <p>The CMV cracker package includes:</p> <ul style="list-style-type: none">- 500 cc single-piece PBN crucible (tank & tube)- PBN aperture plate (for specified wafer size)- NW100CF mounting flange- In-vacuum length 292 mm- Integrated water-cooling shroud for cracker stage- Motorized flux control valve with controller and computer interface- Motorized valve controller (MCU-VA) with computer interface- Max. operating temperature: 600oC (Tank & Tube), 1100oC (Cracking zone & valve)- Max. degassing temperature: 700oC (Tank & Tube), 1200oC (Cracking zone & Valve)- Max. temperature (without water-cooling): 500oC (all sections)	1	¥958,895.00	¥958,895.00	9-10 months 9-10个月 After receipt of order and export license 收到订单和出口许可证后

2	Temperature Control Package (TCP) for CMV Source The TCP ensures better than ± 0.1 oC thermal stability of the source. - Eurotherm triple-loop PID temperature controller - Three TDK-Lambda DC power supplies with separate voltage and current displays - Two K-type and one C-Type bakeable thermocouples - Three bakeable LEMO power cables - Necessary rack kits	1	¥155,888.00	¥155,888.00	9-10 months 9-10 个月 After receipt of order and export license 收到订单和出口许可证后
TOTAL PRICE (合计价格)				¥1,114,783.00	

The above prices are in CNY (¥) including VAT (13%) or other local taxes or duties.
以上价格以人民币 (¥) 为单位, 含增值税 (13%) 或其他地方税或关税。

Terms
条款

Warranty:	12 months, excludes consumables.
保修期:	12 个月, 不含耗材。
SHIPPING & INSURANCE:	Included in the price.
运费和保险费:	包含在价格中。
PACKING:	Included in the price.
包装费:	包含在价格中。
LOCAL TAXES OR DUTIES:	Included in the price.
地方税或关税:	包含在价格中。
VALIDITY:	30 days.
有效期:	30天。
TERMS OF PAYMENT:	100% prepayment.
付款方式:	100% 预付。

DCA (Beijing) Semiconductor Technology Co., Ltd. does not take responsibility for the proper handling or correct usage of effusion cells or crucibles. The warranty is invalid for damage incurred by misuse.
迪希埃 (北京) 半导体技术有限公司不负责正确处理或正确使用蒸发池和坩埚。因使用不当造成的损坏不在保修之列。

This quotation is subject to our standard terms and conditions of sale available on request.
本报价受我们的标准销售条款和条件约束, 可应要求提供。
